

How to reach us

From M6 Northbound

Leave the M6 Motorway at Junction 28 and turn left (west), following the road (signposted for Leyland) for about one mile. You will come to a pair of mini-roundabouts next to a petrol station. Go straight ahead at the first mini-roundabout and take the second exit at the second mini-roundabout.

At the next roundabout take the second exit, sign posted Moss Side Industrial Estate. At the T-junction turn left into Golden Hill Lane and follow this route for about one and a half miles, go straight across the traffic lights. After another quarter of a mile you will reach a roundabout. Take the second exit into Comet Road.

Carry on through Moss Side Industrial Estate for quarter of a mile to another roundabout. Our site can be seen opposite, on the corner of Aston Way.
